## STYLE THAT IS SIMPLY BRILLIANT.

### 1. CHROME FRONT AIR DEFLECTOR.

Keep the bugs, dirt and road spray away from your hood and windshield with this stylish and shatter-resistant deflector. Also available in Smoke.

### 2. 20-INCH CHROME-PLATED WHEEL.

For a sparkling finish that will last for years, this premium wheel definitely outshines the competition. Our chrome wheels are coated first in copper, followed by four coats of nickel and a final coat of chrome. And all our wheels undergo brutal testing to ensure that they won't crack, peel or blister, for good looks that will take you far.

### 3. MOULDED RUNNING BOARDS.

These stylishly durable running boards feature a thermoplastic covering with a skid-resistant surface, all covering a durable extruded aluminum frame underneath.

### 4. DOOR SILL GUARDS.

Add plenty of door sill protection with a splash of panache. Guards come in a set of four and are elegantly embossed with the Aspen name on the front two.

SHOWN ON COVER: 20-INCH CHROME-PLATED WHEEL ADDS A NICE TOUCH.

## THE BEST OF BOTH WORLDS.

When it's a matter of obtaining the best – in fashion and function – you can have it all.

### 1. SIDE WINDOW AIR DEFLECTORS.

Now you can partially open your front and rear windows to let the fresh air in while keeping the wet weather out.

### 2. MOULDED SPLASH GUARDS.

Style and substance go hand in hand with these durable Black plastic guards that offer a sleek look to your wheel wells while providing added protection from road spray, salt and other road debris. The Aspen name adds a nice touch to the rear splash guards.

### 3. HITCH RECEIVER.<sup>(1)</sup>

Class IV Hitch Receiver features a two-inch opening and a towing capacity of up to 4037 kg (8900 lbs) with proper weight-distributing equipment. Perfect for Aspen's Best-In-Class<sup>(2)</sup> tow rating. Hitch Ball, Ball Mount and Wiring Harness sold separately.

### 4. REAR AIR DEFLECTOR.

Smoke-coloured deflector keeps your Aspen's rear window clear by directing a stream of air across it while the vehicle is moving.

<sup>(1)</sup> Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. Towing may require some items not supplied by Mopar. <sup>(2)</sup> Based on 2007 *Automotive News* classification. When properly equipped.
